

BEAUTIFUL TABLE RUNNER SUPPLY LIST:  
(Finished runner approximately 15" X 40")

~1 yard focus fabric with clearly defined motifs. Japanese fabrics with birds, flowers, fish work well.  
Or choose floral or leaf patterns. Do not choose an over-all crowded design. You will be cutting out 9 1/2" squares plus extra motifs to "float" into borders and sashings

~1 yard minimum solid or reads-as-solid fabric for sashings and borders. Choose a contrasting color to your focus fabric or black

~1/2 yard minimum light weight tear-away paper stabilizer

~Sewing machine in good, CLEAN working order, extension cord, surge protector. Be sure you know how to lower the tension in your machine 1/4" foot for piecing

~Microtex 90/14 machine needles VERY IMPORTANT

~Open-toe embroidery foot for your machine VERY IMPORTANT

~MonoPoly invisible thread – I like Superior Threads extra-fine polyester best

NOTE: if you have used MonoPoly thread before and know how to wind a bobbin with it, do so ahead of time. Otherwise, bring an empty bobbin and we'll wind it in class. OR bring a bobbin wound with a thread that will work with your machine in a color close to your focus fabric background.
