Why I Love Our Guild..... It's Sunday morning after Jamboree and I'm still feeling the glow of a good time. While I was the leader by default, the day is still an entry in my "Happy Memories" journal. I would like to take this opportunity to thank

those who helped, whether along the way, on the Friday set-up and on Saturday.

I won't try to name all the names because there are too many for the space I have. But thank you to all of you who came on Friday or helped take down and clean up on Saturday

A special Thank You to: Ingrid Petersen who served as my co-chair, Susie Hardy who handled the money, Mary Serpa who outdid herself with food and drinks and Frances O'Brien for the fabulous door prizes. The day involves running around the venue and they all did their part. Thank you so much.

Thank you to the teachers who shared their skills with us. Robi Holman patiently taught her zippered pouches. Christine Barnes shared her wonderful command of color. Beautiful table runners were designed in Margaret Boothby's class. Mariah Bath enriched her students with the tricks and techniques of the Japanese art of Sashiko. Disappearing Nine Patch is a versatile technique that Lorna Straka shared. Talk to your friends who participated in the day and hear what they have to say about the fun they had.

More than 50 members participated, all eager to learn something new. Thanks for signing up and showing up! To all of you who donated your sign-up fee, the Guild thanks you.

I hope you had a wonderful time and are looking forward to next year's Jamboree! The date for 2024 is to be determined but teachers are tentatively lined up. We promise an "Open Sew" section in case you just want to come and finish a project or socialize with friends.

Looking forward to seeing you at Jamboree next year!

## PRESIDENT'S QUILT BLOCKS

The time has come for Guild members to make a quilt block for our outgoing 2022-23 President, Lillian Glaeser. This is to show our appreciation for the great job she has done these past two years.

Lillian has requested 6 ½ inch blocks made using any pattern of your choice and in any colors of your choice. Please sign your block so it can be seen on the front of the block (not in seam). Mail to me by November 7, 2023. My address is in the roster.

These will be presented to Lillian at our December Guild party.

Thank you,

*Barbara Ceresa - Past President 2020/2021*

## Time to Renew

*Membership Renewal has begun!* To be included in the printed directory please submit your membership form by January 15, 2024. The form is at the end of this newsletter and on our website <https://pinetreequiltguild.com/forms/>. Dues remain at \$30 for the year. Affiliates can find your form at the link above. You can return your application and check or cash to me at Guild meetings or mail it to the PO Box 3133 Grass Valley 95945. You may also drop off your application at Ben Franklin (fabric counter) or Community Service. I collect them on a regular basis during this time. Thank you in advance for your prompt renewal. Sophia Day, our Computer Records Chair, appreciates it too!

Warmly,

*Ruth Bertaccini, Membership Chair*

## COMMUNITY SERVICE

**From Nancy Holtz, Community Service Chair**

Volunteers at Community Service have been busy the last few meetings sorting donations received in the past few months.

On October 19, we were happy to deliver 15 quilts to Child Protection Services (CPS).

Hospitality House and Golden Empire Convalescent Hospital will be receiving quilts before the end of this year.

Many thanks to the volunteers who have helped in Community Service this year. It takes a village.

We meet the first and third Thursdays each month ( no second meeting in Dec) at the back of the Nevada County Historical Museum at the wonky corner of Ridge Rd and Nevada City Hwy next to Sierra Presbyterian Church 9am-1pm.

All are invited to join us.

## MINI GROUPS

As new members join the Guild seeking new friendships and techniques, the creation of Mini-Groups is ongoing.

Jamboree evaluations included requests for a Sashiko Mini-Group. Mariah Bath will be taking signups for this group at the November meeting. Bag making was another suggestion for a Mini-Group. If anyone is interested in bag making or if you have any other ideas for a Mini-Group or would like to join one, please contact me.

Thanks,

**Sue Miller**

# 2024 Guild Challenge

The Guild Challenge theme for 2024, “40”, is underway with only a few months to go before the March Reveal. We would appreciate a few volunteers to help at the March meeting with set up, member voting and take down. Please reach out to one of us at a Guild meeting or by phone. Our information is in the Membership Roster. Thank you.

In past months we’ve given you some friendly hints and ideas to consider, but if you are still pondering ideas, consider searching for events and happenings from 1984. The following are a few examples that could easily be incorporated into a quilt. The space shuttle Challenger was launched and it was also Discovery’s maiden voyage. Bruce Springsteen released “Born in the USA” and Prince released “Purple Rain”. The 1984 Summer Olympics were held in Los Angeles.

- You may use any technique(s).
- The quilt must be no larger than 40-inch per side and include a sleeve and label. Instructions on how to make a sleeve can be found on the Guild Website. [https://www.pinetreequiltguild.com/docs/quiltshow/PTQG Make a Sleeve.pdf](https://www.pinetreequiltguild.com/docs/quiltshow/PTQG%20Make%20a%20Sleeve.pdf)
- Please keep your quilt a secret.
- The Challenge Quilts will be presented at the March 2024 General Meeting.
- There will be a special exhibit at the 2024 Quilt Show.
- Enter your Challenge Quilt using SignUpGenius <https://www.signupgenius.com/go/60b0a44a9ac29a2fd0-march1#/>
- Any questions, contact Kris Cook or Margaret Vodicka

## GOT IDEAS?

The 40th Anniversary of our Guild is a special milestone and deserves extra attention. Our 2024 Quilt Show will be our best option to reflect upon the past 40 years with displays throughout the Quilt Show: acknowledging members and their achievements in the quilting world, photos and newspaper articles from the early days and the Hall of Honor display will return. Scrapbooks filled with Guild events will be available for browsing while enjoying lunch in Ponderosa Hall.

What ideas do you have? New members...what would you like to see? Special displays? Speakers? Quilt displays?

If you have received a special recognition in the quilting world or have published or created a product, we want to know! We need photos, newspaper clippings and memories to enhance this celebration.

We are planning an Anniversary Party at our June General Meeting and need help from members. If you would like to have a part in planning the party or special displays at the Quilt Show, come onboard. Vintage and new members are all welcome.

Please contact me **soon**. It will take time to make this the special event we are excited about commemorating.

# PIQF *Pacific International Quilt Festival*

Each year I think what I see can't be outdone. Textiles on steroids, bedazzling compositions, alluring dreamscapes evoking heart-pumping emotion. Mingling among the world's best, seven of us from PTQG went on Thursday's Needle Nellie's bus. Sue, Robi, Julia, Debra, Ginny, Mariah and myself. A 13-hour odyssey so worth it!

Special exhibits were intermingled, not judged:

1. Cherrywood hand-dyes, PIQF's popular anchor, featured a plethora of "Graffiti" themed 20x20 quilts. Fun and humorous.
2. Rami Kim reigned supreme with 15 over-the-top ensembles. Does she really wear these? Down to the gnat's eyeball with detail: beading, ribbon embroidery, origami, thread painting, sparkles, etc.
3. A sizable circus-colored topographical map of California by Lin Schiffner was exciting to see, a special exhibit for our state.
4. Razor-sharp digital photography on fabric, machine quilted.
5. Mountain Art Quilters including quilts by Julie Berry, Sophia Day, Pat Gillings, Linda Lasich, Stephanie and Bennett-Strauss.

In my whirlwind to do all and see all, these were my faves:

1. Grand winner from Tokyo, "Blue Tone II" by Aki Sakai featured infinitesimal machine stitching, 1/16th inch meandering, handwork, beads, sparkles, all in dreamy pale blue.

2. Two large "Dear Jane" quilts, precision to the max with inventive borders. Is "Dear Jane" making a comeback? Sue Deane and Mariah Bath are making these 4-1/2 inch blocks, too.

3. "Remembrance" by Judith Phelps with show-stopping winter scene, thread painted to be equally gorgeous on the back.

4. "Glade Creek Grist Mill" also thread-painted. Such depth with waterfall, wheel, creek, 64x47 by Barbara Malzke.

5. "Date Night" a sushi platter by Kestrel Michaud, 36x48. The food was perfectly set on an awesome silver tray! (Should have won a ribbon!)

6. "Wetland Romance" by Kathy McNeill, 49x42. Zillions of layers of rocks in water, with audacious life-like frog border.

- 7. Artichoke blooms , small and precise, 14x18, a perfect composition of muted and subdued hues.
- 8. Velda's ginormous irises befitting a museum wall, her handiwork causing quite a stir. People were in awe.

At 2:45 pm (bus left at 3:00!) I hastily shopped my new-found favorite booth: Peacock Collections from Pacific Grove. Featuring antique and vintage passementerie, fabrics, doodads, quilt blocks. Hurriedly, with credit cards ready, Mariah and I were utterly besotted.

Where will it all end? What can we think up next? Quilting machines doing impossible meanderings, hand-sewn mini piping amongst sparkles and teeny trapunto hand-appliqués. Highly disciplined ornamentation, quilts with heartfelt stories depicting famous places or hometown landmarks. You can always tell when a quilt-maker's heart is really in it. Quilting is our labor of love, our passion. Let's go again!

## Sign up for Mel Beach Workshop

We are excited to have Mel Beach return for our February 7, 2024 Speaker Workshop. Mel Beach is a San Jose, CA based quilt artist, teacher and lecturer, who breaks away from tradition by adding her own modern, beautifully textured and colorful twists.

Buckle up for a new take on modern, improv curves! We'll experiment and play with topstitch appliqué curves that are Finished, Freeing, Forgiving and FUN! Once you see how quick and easy it is to create these improvisational curves, we'll add a modern, curvy twist to traditional quilt designs including borders, Pinwheels, Chinese Coins, Log Cabins and Drunkard's Path blocks.

To sign up, just go to the SignUpGenius link on our PTQG website or contact Sue Marshall, Speaker Workshop Chair.

# QUILTING 101

## Beginner Quilting Class

Our Quilting 101 group met on October 26 for the last session of 2023. This dedicated group of newer quilters has been working diligently to complete their class projects, with some outstanding results. We look forward to sharing these at an upcoming meeting. It has been a joy to watch the participants learn new skills and gain confidence.

Now we are looking forward to a new session of classes in 2024. These classes are free to all members and are held on the fourth Thursday of the month in conjunction with Home Workshop. We will focus on the basic skills and techniques of quilting by learning to construct one or two new blocks at each session. We also learn about fabric color and design choices and assembling and finishing a quilt.

If you are interested in joining the class, please contact me. I will be creating a sign up list at the November General Meeting. The location of our class for 2024 has not been determined. Class sizes will be limited, so the earlier you sign up the better.

Remember, the classes are free but you will need to provide your own machine, fabric and supplies. I will send out a suggested supply list in December, so you will have plenty of time to gather what you need.

## ROW-BY-ROW QUILT EXCHANGE!

*"Inch by inch, row by row, we will make our quilts grow!"*

Our 2024 Row-By-Row Exchange is already off to a great start. We reached maximum capacity at the October Guild meeting and look forward to the year ahead when the fun begins!

For all those participating, please read the instructions included in your brown bag and have your initial row completed by our first meeting on January 12, 2024, in the Ben Franklin Classroom. We will be meeting through June on the second Friday of each month at 5:30 p.m. in Ben Franklin's Classroom. We will continue to meet there on the second Friday of the month at 5:30 pm through June. Most meetings will be less than an hour with the first being a bit longer where we will introduce ourselves and share our rows. Then we will receive someone else's row to take home and create a new row for them. We will share those rows at the following meeting. This is all done anonymously, and you won't see your row again until the final reveal in June.

There will be door prizes and treats along the way as well. If you have not received your brown bag and instructions, please contact Karla or Jeanne ASAP! We'll make certain that you'll receive one right away. As always, if you have any questions or concerns, please contact either Karla Rogers @ (530) 470-3645 or Jeanne Pincha-Tulley @ (530) 913-2823 Again, we are really looking forward to having a great time and lots of fun together in the Row-By-Row Exchange of 2024!
