Bylaws Review.....

A review committee has completed our periodic review of the Bylaws. The proposed changes will be brought to the Membership at the December general meeting for approval. Many of the changes were clerical and formatting changes. To align with Bylaws of other member organizations, sections were added on terminating for cause and re-instating Board members and members and we expanded some of the duties of the Executive Board and the Finance, Budget/Audit Chair position. The paragraphs on the duties of the Executive Board were bulleted for easier reading. Details of Committees were removed since the details of each Committee is documented in the Policies, with just the listing remaining.

If anyone would like to see the proposed Bylaw document prior to the meeting, please contact Sophia. As a reminder, the current approved Bylaws are in the Member's Only Section of the website. A copy will also be in the 2026 printed roster.

President's Message

It has been a tremendous honor and pleasure to serve as your President over the past two years. During this time, we have made significant progress together as a Guild. The membership surveys provided invaluable insights, helping us understand and prioritize the directions our members wish the Guild to pursue. Based on your feedback, we experimented with a new location for our meetings and adjusted the meeting format to make them more streamlined and responsive to the needs and concerns of our members.

We have also welcomed many new members who have enthusiastically joined various committees, with several stepping up to take on the leadership role of Committee Chair. Highlights from the past two years include the remarkable pillowcase drive in the first year and the outstanding retreat in the second year. These achievements are a testament to our collective efforts and dedication. I am deeply grateful for your enthusiasm, support, and active participation.

I would like to express my sincere appreciation to Annica Hagadorn, Beth Stagner, and Kathy Mollet, who served as an extraordinary Executive Board throughout my tenure. Their unwavering support, creativity, and commitment to advancing the Guild's mission and enriching our members' experiences have been invaluable.

Looking ahead at our December General Meeting and Holiday Party, we will be voting on two important matters: the revision of the Guild Bylaws and the approval of the 2026 Operating Budget. You will receive advance copies of both documents to review before the meeting.

As my term as President comes to a close, I am excited to remain an active presence within the Guild. I will be initiating an Appliqué group and will be chairing the Row-by-Row activities, collaborating with Karla and Beth.

It has truly been a pleasure.

Jeanne Pincha-Tulley *President*

Row By Row:

Sign-ups for the Row-by-Row activities began in October, and already the evening session is full. The morning session has a couple more spaces available. Registration will continue at the December general meeting, so there is still an opportunity to join!

There will be two Row-by-Row sessions offered: a morning session from 10:30 to 11:30 AM and an evening session from 5:00 to 6:00 PM. The day of the week for these sessions has been changed to alleviate scheduling conflicts, as having Board meetings on the same day proved to be a bit overwhelming. Now, both sessions will take place on the same day.

All meetings are held in the Ben Franklin Crafts classroom on the second Wednesday of each month, from January through June. We are eager and enthusiastic to begin another year of Row-by-Row activities and look forward to seeing you there!

PTQG Challenge for 2026 is "Read Me - Use Me"

If you are participating in the 2026 Guild Challenge you might have it serve a double purpose by making it for a gift to a special someone and for the challenge. The magazine page in your packet might contain a food item. You could make a wall hanging for a friend's kitchen. It is not too late to sign up; just pick up your Challenge Material at our next General Meeting. The Challenge Material is a randomly chosen magazine page and a piece of fabric that is identical for all participants.

- Any technique(s) can be used.
- Fabric: In addition to using some or all of the provided fabric, one may use anything else - all colors, patterned, solid, dark, light, with embellishments, etc.
- The quilt must be no larger than 30" per side, and completely finished with a sleeve and label.
- Save the magazine page that relates to your quilt since you will submit it along with the quilt.

The Challenge Quilt will be displayed at a special exhibit at our Quilt Show in April. Please keep the quilt a secret and only one entry per person.

Kris Cook and Margaret Vodicka, Guild Challenge Co-Chairs

Some members were asked to name their favorite block. Pictures of favorites are sprinkled throughout the newsletter with the first names of those who suggested them.....

Velda, Margaret, and Sally don't do blocks! Velda gave up on math long ago, and Sally does appliqué.....

Margaret does art quilts.... and Marjorie said anything non-traditional.

Robi likes anything paper-pieced, while Margaret does improv!

Treasure Table

We are asking for your support in the form of fabric donations and other relevant notions for our Treasure Table. We are seeking fabric remnants, no smaller than a fat quarter so that we can sell them at our monthly meetings. Our goal is to raise money for the guild as well as offer quality remnants to our members.

Thank you for your support. *Susan Hollenback and Margaret Aarons*

Community Service is working hard to complete the dog beds for pick up Dec 4 by Margaret from Keller Williams Real Estate. She distributes them to local shelters. IF anyone has upholstery or other heavy duty fabric they would like to donate for this project, Community Service would love to have it. We have 30 pet beds completed.

This year we celebrated two 90 yr old birthdays- Ina Gibson and Margie Lucas. They both are very knowledgeable and are generous sharing their knowledge of quilting.

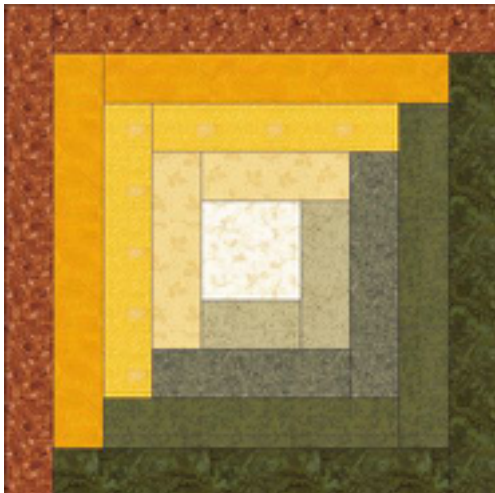

To remind members: we have a roll of black batting that is available to anyone needing to use black instead of white in a quilt. Their quilt does not need to be for the guild.

We are always in need for long arming the twin size quilts. Baby and lap quilts can be quilted on a domestic machine.

There are kits available for tops if you don't want to use your own fabric but want to contribute to Community Service.

We will only meet once in December, on the 4th. There will be NO third Thursday meeting. Beginning in January 2026, we will resume meeting on the first and third Thursdays from 9-1 at the back of the Nevada County Historical Society building next to Sierra Presbyterian Church at the wonky corner of Ridge Rd and Nevada City Hwy. All are welcome.

Log Cabin was a favorite of Barbara, Tiffany, Julie, Kelly and Heidi,
while Joan says a Wonky Log Cabin is hers.

Quilt Show 2026

Silent Auction

It's never too early to start thinking about what you'd like to make or donate to our Silent Auction for the 2026 Quilt Show. New or gently used equipment in working condition like sewing machines/quilting accessories are usually top sellers. As always, items like quilts, pillows, baby/kid quilts with books, kitchen items, vintage quilt tops, quilt kits, notions, wearables and totes are always welcome. We would like to have a wide variety of items, anything you think would make a great donation and would be a good seller. Mini groups might consider making a quilt to donate. As always, your generosity is greatly appreciated and all the proceeds help our Guild. You can drop off donations at the General Meetings or community service or contact one of us for pick-up or delivery. Unless you'd like your donation to remain anonymous, please include your name so we can thank you.

Volunteers

Please start thinking about volunteering for the Quilt Show! We have 230 shifts needing your support. Not only do you help your Guild, you also get free admission to the show and are entered into a drawing for a free Speaker workshop.

We will be taking sign-ups at our January meeting or you may sign up online using SignUpGenius in early January. Thank-you.

Gentlewomen and Gentlemen, I want to begin by giving a very boisterous shout out to the people who volunteered this year as teachers for HWS. Shannon Waldow, Ruth Bertaccini, Margret Vodicka, Mariah Bath, Erica Caldeira, and Frances O'Brien. Each class brought new skills and introduced people to new techniques. Thank you! Thank you! Thank you!

Marjorie Woodall has become a member of the HWS team. Thank you!

2026 will open with Holly teaching binding and finishing techniques. February is the art quilt with Sophia, March will be a sewing machine pad plus with Beth, and April will be a zippered mesh bag with Henri. Coming up we'll have a second EPP class with Erica, quilted bog coat, and a surprise class with Mariah. We'll also host a gathering for making quilt tops for Community Service.

I know rumors swirled about the 2026 location for HWS. Great news, we'll still be meeting on the fourth Thursday of the month at the Sierra Presbyterian Church.

As I slept through our last meeting, I'll need to take sign-ups via text or phone call. My furry alarm clock didn't get the message about the time change ... 3:30 makes for a sleepy person.

Speaking of which, I am going to be sending either a reminder or the actual supply lists via text, so when you sign up, I need a very clearly written telephone number for all. If you're a new member, please also give me your clearly printed email.

So, what would you like to see presented at HWS? What project or skill do you want to share?

Theresa will be taking sign-ups at meetings.

SignUpGenius is not suited to our needs.

You can also text her. Feel free to ask Theresa questions at meetings or through texting or email.

Her contact information is in the Roster.

Two members gave other blocks. Judy chose Churn Dash, left, and Teal opted for Bear Paw, right.

MEMBERSHIP NEWS

Ruth Bertaccini

It was great to see eight guests joining us at our November meeting. (I think Christine Barnes' program had something to do with that.) No new members to report this month, but I'm sure 2026 will see more wanting to join in on the wonderful learning experiences AND the fun!

It's officially our Membership Renewal Drive with 2026 dues and new membership forms are due by **January 15** in order to be in the printed roster.

There are a few kinks to iron out, but doing this process online with your credit card is a cinch. Be looking for updates on this new process as things are smoothed out. Additionally, you can still complete your renewal by filling out the newest version of our membership form, pay \$30 with cash or check and either drop it off at Community Service or Ben Franklin, mail it to our PO Box or give it to me when you sign in at our general meetings in December or January.

The form can be found on the last page of this newsletter or by going to:

<https://pinetreequiltguild.com/docs/Membership-Form.pdf>

Did you know that if you have a business you'd like to promote to the Guild you can become an affiliate member for \$45 a year (1 1/2 individual membership dues)? I'll be sending out renewal information to our current affiliates, but the affiliate membership form along with the newest membership forms can be accessed at our website under MEMBERSHIP/JOIN US.

I'm available to answer any questions you may have about this process--just email me at ruthdb@sbcglobal.net.

Kitty Oliver

Have you wondered what criteria a professional quilt judge uses when evaluating a quilt? Kitty will present how she went from quilt maker to quilt judge, and what makes for an award-winning quilt.

Mark your calendars for February 2nd!

Mini-Group

At the Get Acquainted meeting we passed out a questionnaire in an attempt to find new members who would have similar interests and availability. That wasn't a successful survey as the few responses were all over the place. One wanted mornings, one nights. One lives in south county and another in Wildwood. So we will make another attempt to help you form groups in early 2026.

Check the newsletter for more information in January.

Star blocks are also popular. Star blocks are the favorite of Barbara, Sharon, Karen, Ruthie...Laura and Karle like Wonky stars. Again, Star blocks go by a variety of names: Friendship Star, Ohio Star, Sawtooth Star, among others.

Inquiring Minds

When I said last month that I would write about blocks this month, I never thought that it would be such a challenge! There are thousands of blocks and techniques for constructing them. can also vary! Names vary as well, Churn Dash can be Monkey Wrench; Drunkard's Path has many names—Peace Dove, Cleopatra's Puzzle or Drunkard's Pinwheel, to name a few. During a few of the more recent quilting get togethers I asked fellow members what their favorite quilt blocks were. The answers varied and are found throughout this newsletter.

Some of the first quilts were made with scraps and 'crazy quilts'. This design is thought to be the oldest quilt pattern, according to research. It is believed that textiles resembling this crazy quilt design were found in early Egyptian tombs, and also in European courts, predating the 17th century. In fact, there is evidence that the first-ever quilt is shown sitting on the shoulders of an ivory statue of an Egyptian pharaoh which is housed in the British Museum. The pharaoh is wearing what we would, today, call a modern quilt. (Information from AlanTeatherQuilting.com)

Blocks range from the most simple, a square or rectangle of a measurement of your choice, to the more complicated. When I Googled "most complicated quilting block", LeMoyne Star was listed along with other star patterns of varying designs.

Blocks are pieced together using a 1/4" seam. Correct, consistent measurements are most important, as a little too much or too little multiplied over all your blocks could make a difference of inches in the length of your rows or overall quilt measurement. Trying to maintain that consistency in measurement while cutting and sewing is critical to the way your quilt will ultimately hang or lay as it should.

I did some research and found a website where the writer addressed the ten most common quilt blocks she found in her search. Her list included Log Cabin, Four Patch, Chimneys and Cornerstones, Churn Dash, Disappearing Nine Patch, Flying Geese, Lone Star, Nine Patch, Pine Tree and Pinwheel. Her website is *Ten Most Common Blocks*, by Madam Sew if you want to read more of the details she found.

The history of quilting and its development is fascinating and spans variations over the years. Japan had its form of quilting created from need to conserve scarce fabrics dating back to the 1500s. As stated above, the Pharaohs had quilts displayed on the walls of their tombs. Today we have a wonderful opportunity to create our quilts with resources unknown to those early artists.
