

## 2018 Quilt Show Minutes

Date: Oct 10

Attendees: Cary Daly, Nancy Holtz, Ginny Lee, Ardy Tobin, Sharon Alves, Sophia Day, Diane Klose

Sophia Day agreed to be the secretary for the meetings.

There was a general discussion about extra help with setup and tear down. Many of our members are getting older and the heavy lifting is becoming a problem. Also extra help with cleaning. Should we add a chair person for this?

Would it be helpful to allow people in to the Northern Mines for free? This might increase basket ticket sales and boutique sales and also allow spouses access to the food. We'll bring up when more people are present.

The quilt show theme is "America the Beautiful". Potential ideas for a challenge are "America the Beautiful" or "Red, White, Blue".

Will Ruby Foster do flowers again?

Ginny just attended the Diablo Valley quilt show. They changed categories for the quilts. It seemed to be much clearer. Perhaps something to think about?

The appraiser will be here. She needs a place to stay. She might do 3 days if we get enough signups. We should start advertising on Facebook.

Next meeting is January 18<sup>th</sup> after community service at Eskaton at 3:30.

Diane Klose will be in charge of Hospitality. We need someone for props and banners.
